THE TURNKEY DESIGN ADVANTAGE PROGRAM:  
Solutions for Developers, by JJ

## TURNKEY DESIGN ADVANTAGE PROGRAM

Solutions for Developers, by JJ

**JJ Associates Design, Inc., and The Art of Flooring by JJ, Inc.** is a full-service San Diego interior design firm and flooring contractor. We have teamed up with product manufacturers throughout the United States to provide building owners, real estate developers, and property management groups with interior finish packages for commercial buildings, assisted senior living projects, hotels, motels, and multifamily housing for suites, rooms, units, and common areas, on a national scale.

## Benefits.....

- Nationwide product sales, take-offs, warehousing, shipping, and installation services
- One source contact to purchase and coordinate logistics with multiple manufacturers
- Advocate for the client between GC's, sub-contractors and manufacturers to ensure competitive pricing and quality control
- Reduce interior design specification costs
- Eliminate unnecessary change orders
- Project management services during construction
- Product warranties supported
- Tax benefits in support of a minority business -Woman Owned Small Business
